

Call for Abstracts

The 9th meeting of the EURO working group on Vehicle Routing and Logistics optimization (VeRoLog 2024)

Researchers are warmly invited to submit abstracts to the 9th meeting of the EURO working group on Vehicle Routing and Logistics optimization (VeRoLog), hosted by [Tel Aviv University](#), [the Faculty of Engineering, Department of Industrial Engineering](#), and [Shlomo Shmeltzer Institute for Smart Transportation](#), on **25-28 February 2024**.

Submission is open to all researchers and practitioners. This event aims to provide a platform to present the state-of-the-art of vehicle routing optimization and its relationship with logistics.

The submission should include a title, an abstract (maximum 300 words), the names of the authors, their affiliations. The name of the presenter should be underlined. Each participant can present only one work.

The submission should also indicate the relevant topics from the following categories:

Models and applications: Bike and Vehicle Sharing, Ride Sharing, Dynamic VRPs, Freight Transportation and Distribution, Parcel Delivery, VRP with Drones, Maritime and Port Logistics, Workforce Routing and Scheduling, Autonomous Mobility on Demand, Dial a Ride, City Logistics, TSP Variants, Electric Vehicles, etc.

Related topics: Choice Models, Facility Location, Service Network Design, Public Transit Planning, Fairness, Intra Logistics.

Methodologies: Integer Programming, Column Generation, Machine Learning, Heuristics and others.

Submission deadline: **October 15, 2023**.

Additional information and submission guidelines can be found on the conference webpage: <https://verolog2024.sciencesconf.org/>
